New BEL Road, MSRIT P.O
Mathikere , Bengaluru -560054
Ph: 080 23605456

Ramaiah Indic Specialty Ayurveda Restoration Hospital (RISA) was established with the objective of providing affordable holistic healthcare for the betterment of mankind. It is a part of the larger Gokula Education Foundation (Medical), GEF (M), a trust. GEF (M) is also certified by the Department of Scientific and Engineering Research (DSIR), Govt. of India. The Ramaiah University for Applied Sciences under the umbrella of GEF (M) disseminates knowledge and skills through instructions, teaching, training, seminars, workshops and symposia in Engineering and Technology, Art and Design, Management and Commerce, Health and Allied Sciences, Physical and Life Sciences, Arts, Humanities and Social Sciences to equip students and scholars to meet the needs of industries, business and society.

RISA started as Gokula AYUSH Arogyadhama, a department of the medical college in 2006, today, it is one of its kind integrative healthcare centre. It's an ecosystem within an ecosystem where the aim is to develop, promote and popularize safe, efficacious and affordable solutions for modern healthcare challenges. The vision of RISA is to incorporate cutting-edge medical science and technology with the vast knowledge base of Ayurveda. Advanced scientific research of International standard is recognized as the way forward in this venture. RISA is a 50-bed Ayurveda hospital with 25 therapy rooms and 45 therapists to administer Ayurveda Panchakarma treatments under the expert guidance of consultants. Clinical services are

supported by an in-house medicine preparation unit, where fresh medicines are prepared according to classical guidelines. A pharmacy is also attached, where classical and proprietary medicines are dispensed.
