ORGANIZED BY

**DEPARTMENT OF AYUSH, GOVT. OF M.P. AND NATIONAL AYUSH MISSION**

IN COLLABORATION WITH

**PT. KHUSHILAL SHARMA GOVERNMENT (AUTONOMOUS)**

**AYURVEDA COLLEGE AND INSTITUTE, BHOPAL**

*"A CENTRE OF EXCELLENCE"*

Dear Colleagues,

India is one of the fastest growing economies of the world, despite this; the prevalence of nutritional disorders in the country is among highest in the world. Malnutrition in all its forms remains a global concern. Its high risk groups are infants, children, adolescent girls, pregnant women and the geriatric age group.

NFHS-4 report estimates that 35.7% children under age of 5 are underweight, 38.4% are stunted, 21% are wasted and 7.5% are severely wasted, which indicates the seriousness of under nutrition in our country. Over nutrition also have severe consequences on human health. The prevalence of overweight and obesity is increasing worldwide, associated with various diseases like cardiovascular diseases, diabetes mellitus type-2 and some forms of Cancer etc. The rapid increase in prevalence of disorders related to nutrition highlights the need to focus on scope and management of nutritional disorders.

In view of above, **Department of Ayush , Government of M.P. and National Ayush Mission, in collaboration with Pt. Khushilal Sharma Government (Autonomous) Ayurveda College and Institute, Bhopal,** is going to organize a National Conference on **"Management Of Nutritional Disorders - Challenges & Scope"** on **19<sup>th</sup> & 20<sup>th</sup> January 2018** at RCVP Noronha Academy of Administration & Management, Arera Colony, Shahpura, Bhopal.

This National conference will be a great opportunity to interact with various streams of health and life sciences to benefit from their knowledge, experiences and research findings to this global health issue.

Organizing institute, the Pt. Khushilal Sharma Government Ayurveda College & Institute "A Center of Excellence" under the department of Ayush is one of the premier Institutes in the field of Ayurveda education and patient care. It is located at Bhopal, the Capital city of Madhya Pradesh, also known as the city of lakes which is surrounded by famous tourist places viz Bhim Betka, Sanchi Stupa, Bhojpur Temple etc. The city has been awarded 2<sup>nd</sup> rank for cleanest city of India under Swacch Bharat Survey 2017.

All professionals, academicians, researchers and students from various fields of Health and life sciences are invited to join the conference for dissemination of the knowledge related to the theme and to achieve the outcomes of the conference in the form of possibilities of strategic combination of all streams of health and life sciences to find the complete potential and effective solution to the problem of malnutrition.
